

WIRE TRANSFER INFO

Please be aware that it takes 3-4 business days for a wire transfer to reach our bank and then a day or two for our bank to notify us that the money has been received.

To wire transfer funds, please add \$25.00 to the amount and **make sure your company and invoice number are clearly identified.**

The net amount received by SGIA must be equal to the amount invoiced in U.S. dollars. Any bank and/or wire fees must be paid by the exhibitor and cannot be applied toward the full balance due. Any bank or wire fees passed to SGIA will be subsequently invoiced.
